Expand DisplayTunnel

Expand DisplayTunnel is an effective method of attracting extra attention due to its unique shape and design. This portable outdoor display is ideal for events and marketing activities in all types of environments. The product is built around a unique spring construction that makes it unfold easily when you take it out of the bag. You close the unit in a

few simple operations – it does not get any easier than this! The image is digitally printed on flag fabric that is laid over the spring construction. You can be sure of the highest quality and visibility for your message. Expand DisplayTunnel includes an easy-to carry, nylon bag and is stable and durable in different weather conditions. It can also be used indoors.
