

Billboard2Go has a sturdy base and aluminum poles allowing it to withstand uncontrollable weather conditions. They are ideal for any outdoor event and exhibit.

Adjustable Size

Multiple units can be connected together providing virtually unlimited widths and telescoping poles allow the graphic to extend up to 10 feet.

Large Graphic Area

Billboard2Go has a large graphic area that can be displayed in either single-sided or double-sided configurations.

Sturdy

Billboard2Go comes with two hard plastic tanks that can be filled with water, providing maximum stability in uncontrollable weather conditions.

Durable and Long Lasting

Billboard2Go is built from the highest quality components ensuring it will last for years.

Hassle Free Guarantee

If it ever breaks, we'll fix it!
